

Clue  
#5

I have two beautiful,  
long horns that I am  
very proud of and  
they are shaped like  
a corkscrew.

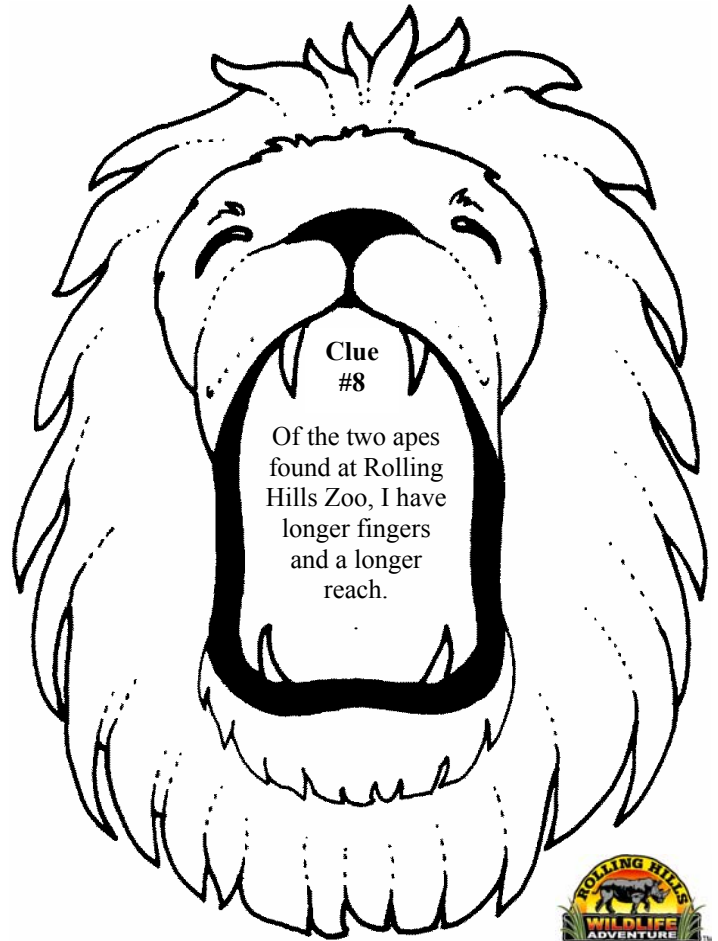

Clue  
#6

I have spots all over,  
but unlike another  
golden colored cat,  
the cheetah, my spots  
are actually circles.

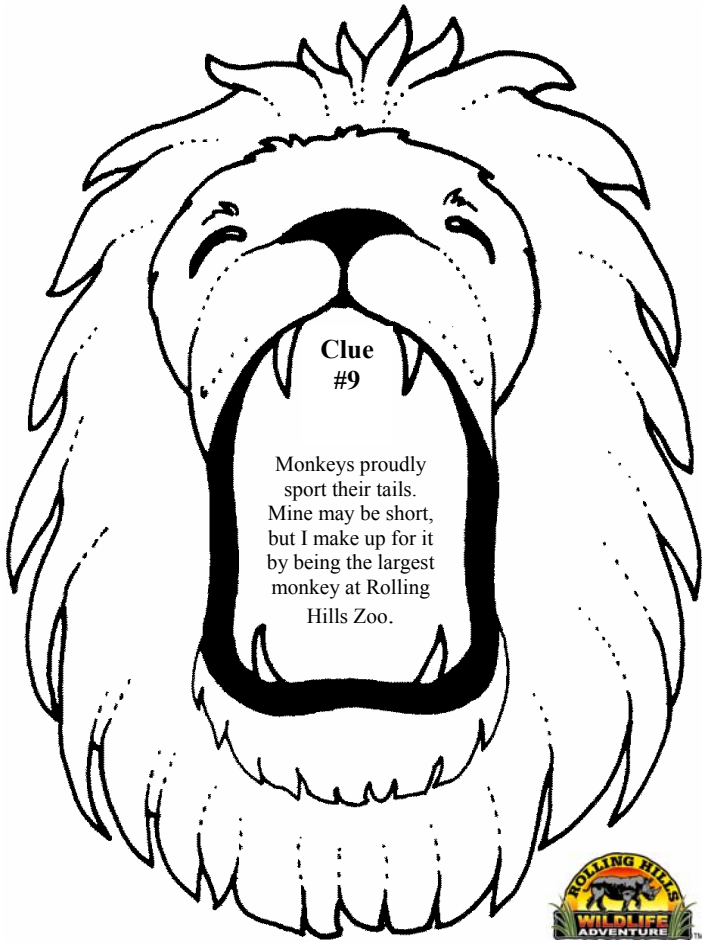

Clue  
#7

My back legs are  
much larger than my  
front legs, and I use  
them to jump as far  
as 30 feet. By the  
way, don't confuse  
me with the small  
guys next door.

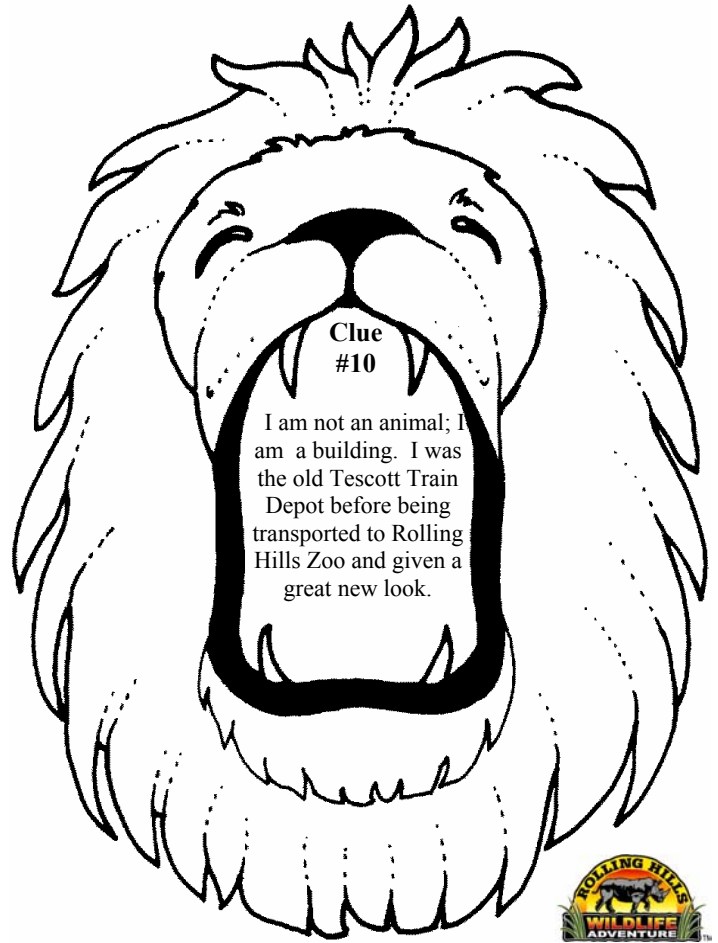

Clue  
#8

Of the two apes  
found at Rolling  
Hills Zoo, I have  
longer fingers  
and a longer  
reach.

Clue  
#9

Monkeys proudly  
sport their tails.  
Mine may be short,  
but I make up for it  
by being the largest  
monkey at Rolling  
Hills Zoo.

Clue  
#10

I am not an animal; I  
am a building. I was  
the old Tescott Train  
Depot before being  
transported to Rolling  
Hills Zoo and given a  
great new look.
