## Have you ever wanted to help a wild animal?

Or maybe you're looking for a gift for that hard to buy for person. Now is your chance to find that special animal waiting for you at Rolling Hills.

The Zoo at Rolling Hill's Adopt-an-Animal Program allows individuals and groups to make their favorite animal part of their family by adopting the animal for a one-year period.

### Why?

Caring for animals can be very costly. By adopting your favorite animal, your gift helps care for that animal for an entire year!

### Who?

Anyone can adopt an animal! There are several levels of adoption. Pick out the one just right for you. Animals can be adopted by individuals, families, groups, or businesses.

### How?

Fill out the attached form and tell us which animal you wish to adopt. Return your form and a check or money order to the Zoo. We take care of the rest!

### When?

Right now, while you're thinking about it. This is your chance to help protect and care for rare and endangered species. Select your favorite animal today and help with its care for a year.

- Due to popularity, some of our animals may be "adopted" by several individuals.

- All animals will remain in the care of Rolling Hills Wildlife Adventure's staff. Sorry, you can't take your zoo friend home with you!

**Hundreds of different wild zoo friends to choose from!**
